

THE CHARTER SCHOOL [2021-22]

Date: July 26, 2021

PERSONALITY DAY - JULY 30, 2021

Empathy is defined as the ability to feel another person's thoughts, feelings, and condition from their point of view. Empathy has the capacity to transform individual lives for the better while helping to bring about positive social change. It is a key part of being a responsible and helpful community member at school and elsewhere.

We, at The Charter School, believe that empathy is a skill or trait that is essential for a 21st century student. To be able to imagine oneself in the situation or circumstances of another person, so as to understand or empathize with their perspective, opinion, or point of view., will help our students be more compassionate to others, which in turn will have a positive impact on the world.

This year, as part of 'Personality Day' on July 30, each class has been assigned a theme to explore:-

Grade 6	Against all Odds
Grade 7	Let us meet the Future 'You'
Grade 8	A Salute to the COVID Frontline Workers
Grade 9 & 10	Are you a Changemaker?

Details regarding the theme will be shared by the class teacher. The information will be posted in the CCA Classrooms too.

Please note the following points:-

- Your child may choose to dress up as the personality based on the class theme.
- The focus is on being 'in the shoes' of that character and speaking a few lines from his/her perspective.

Please feel free to contact the class teacher or Ms Latha (latha@cochins.org) if you have any queries.

Regards,
Sameera Basheer K
 Stage 2 Coordinator
