

THE CHARTER SCHOOL 2021-22

Date: June 23rd 2021

Dear Parent,

Outer Space has always been a fascinating topic for everyone across the ages. This Friday we are all set to take our Stars in G2 on a **Virtual Space Odyssey**.

Kindly keep the following ready for the artwork on Friday:

* 2 A4 size sheets joined together and then cut a hole (big enough for your child's face to be seen through the hole) in the middle of the sheet as shown in the image attached.

* Colours

* Stapler

Do keep a snack also ready.

Looking forward to our Fun filled Friday!

Regards,
Homeroom Teachers
