

## The Charter School [2021-22]

July 20, 2021

### Webinar : Building your College Portfolio Saturday, July 24 at 5:00 p.m

Greetings from The Charter School!

As your child moves ahead in the journey of learning, the need for strategic planning and proper research of universities and suitable courses becomes more significant.

Universities outside India place a lot of focus on the student portfolio for admissions purposes. With the new reforms in educational policy in India, college portfolio creation will definitely play a significant part in college entry applications within India.

Join us for the upcoming webinar on **Saturday, 24 July 2021**. The webinar aims to address the domain of college portfolio creation, taking you through the whys, whats and hows of the topic.
