

THE CHARTER SCHOOL 2021-22

Dear Parent,

Fridays are fun and this Friday we are planning some extra fun for your child!
We are gearing up for, Our Parents are our Superhero's themed Fun Friday on 11th June.

Children love to imitate and it's no wonder that they love dressing up like their first and favourite superheroes - Dad and Mom. Hope you will join in the fun and let your child dress in some funky attire this Friday.

We look forward to seeing your child dressed up like a superhero of their choice for our Fun Friday session.

If you need some ideas to get started, you can drape a dupatta as a cape or make an eye mask, etc. I'm sure you and your child will come up with some great ideas to celebrate the day 😊👍!!

We have some more fun activities planned for the session. Hope to see our excited little ones ready for some Fun Friday!!

Materials required for the session on Friday:

- 2 A4 papers
- A red/pink colour paper (If you dont have coloured paper, you can colour pink on 1 side of an A4 paper and keep it ready)
- Pencil and eraser
- scissors and glue
- Sketch pens
- colours

Regards,
Homeroom Teachers
